In accordance with your request of 26 November 1947, the most recent copy of "Shortwave Broadcasting Stations of the World, According to Frequency" is being forwarded you under separate cover.

The latest current issue of "Long and Medium Wave Broadcasting Stations of the World, According to Frequency" is dated 1 December 1946. However, we are at present revising this issue and suggest you write us in about two months if you desire a copy at that time.

You have the latest issue of "Broadcasting Stations of the World according to Country and City" and we are not contemplating an immediate revision.

I suggest that you write to Roger C. Legge, Department of State - OIE-ISD, 224 West 57th Street, New York 19, New York for information about the United States International Broadcast Stations.

It will be appreciated if you will furnish this office with any results of your observations which appear to be in variance with the data listed in our publications and with any notes covering your personal monitoring.

Yours truly,
